

The Bee Cart

Bombus and Borage are bee guides from a secret government organisation called The Human Union of Pollinators – preparing for the worst but hoping for the best with their Mobile World of Interaction, Bee Wisdom, True Fact and Surreal Fun.

Delve into the world of bees, learn the pollen packing dance, the waggle dance and try out their Buzz Pollenator or their Flapper-Winger-Tronerators, meet a giant Varroa Mite, and maybe even get your nose pollinated!

The Bee Cart is an exciting, accessible walkabout theatre piece for audiences of all ages, from the Most Marvellous Pif Paf Theatre.
