

Go to your fields

and your gardens
and you shall learn that it is the
pleasure of the bee to gather honey
of the flower

but it is also the
pleasure of the flower to yield its honey
to the bee

for to the bee
a flower is a fountain of life

and to the flower
a bee is a messenger of love

and to both -
bee and flower -
the giving and receiving of pleasure
is a need and an ecstasy
