

Valley Bee Meeting Minutes 10.4.22

Attended: Dana, Mick, Bill, Vic, Pauline, Jennifer, Lyn and Derek.

Apologies: Maree, Mark, Greg

Accept minutes of last month's minutes: Moved Lyn and Seconded by Pauline.

Business Arising from last months minutes:

- Open day meeting information (Discussed in General business)
- Sent through an email to MRCCC and they replied saying that they will send through the insurance certificate when they receive it.

Outgoing: Email MRCC

Incoming: Treasures report (Maree/Mark are away)

Treasures Report: Dana presented Maree treasures report this meeting. Moved Dana
Seconded by Pauline.

General Business:

- Dana shared information from the Open Day meeting at Landcare on the 2.4.22
- Discussed Peter Velinski donation of a Native Bee Hive (question asked if it had bees In it or is it just the hive. Dana to check with Peter.
- Vic brought up at the meeting, that maybe the club could combine the meetings with the Kandanga Practical days. He said due to everyone being busy that we could have the meeting after the practical day rather than come back on another day. Meeting discussed Vic's idea, it was moved by Vic and seconded by Derek. We will start on the 21st of May being the first Meeting after the practical day. Dana to contact members and let them know of the changes. Maree has the only list of members contacts for the club. Dana will contact Reg/Marg, Wayne, and Greg before next meeting at least.
- Derek moved that a list of members contact details be sent through to Dana, so that she can keep the members in the loop about what is happening. Seconded Pauline.
- Bee Open day meeting to be held with the monthly meeting at Kandanga.
- Bill also mentioned that he is available to have a Native Bee box building day though the winter months. (Club to fix a date for the day)

Vic's Landcare Report: 2nd April 22, New family along and 16/18 people attended

All hives are healthy, different amounts of beetle appearing in the hives.

According to the book the bees are doing what they can to bring in honey and store for the winter season. We answered lots of questions, everyone took honey home.

Mick Kandanga Report 8th April 22

Over cast, light rainy day, it rained on and off throughout the morning.

The end ideal which was empty is now filling up nicely.

We had only a small group but lots of question were answered.

Bills Native bee Report: 2nd April 18, 2022

No interest today.

Peter Velinski brought his hives to the morning at Landcare.

Native Bees in one of the hives has built a tunnel through to the other side.

Raffle won by Bill
