

### **GENERAL BUSINESS:-**

Vic mentioned that NSW beetle is plague proportions & they have lots to talk about what to stop beetles.

Peter Velinski said he's 10 hives behind this year because of the cold nights we've had. Pete feeds his Native Bees 75% Honey 25% Water.

Hundreds of Native bee drones camp in the Red Flower of the Little Dugold treat his place at night.

Wayne Thanked everyone for coming

Raffle Drawn won by Maree
