APOLOGIES: Vic and Greg Edwards

MINUTES READ : Maree moved and Marj seconded.

BUSINESS ARISING: Epos machine on loan is not available anymore so Pauline proposed Maree buy one for \$59 as we will use it at other functions like Landcare and Honeybee Farm selling books etc.

Angel Flight was paid by MRCCC.

Show donation of \$30 was paid.

Mark purchased a base for the flow hive and has yet to buy the boxes needed.

TREASURERS REPORT: Maree read out as true and correct, seconded by Marj.

INWARD CORRESPONDENCE: Email was received from Glen for the memorial morning tea for Athol .

Shakya sent account for Web site to be paid.

Trong Tran asked anyone the has propolis from native bees to please collect as he is using it in a study. Lyn said it was for a good cause . breast cancer study.

OUTWARD CORRESPONDENCE: A chap from Burpengary wanted the open day date.

VIC'S REPORT: given by Mark . Landcare needed a bit of a clean up after gum trees fell, 3 hives smashed but luckily bees didn't escape. Flow hive smashed but frames were intact, but Mark has loaned his flow hive to put frames into.

All working well and survived their ordeal. All hives are strong and marked Queen in seconded box.

MARKS REPORT: No.1 nuc going well, took frame of honey out of No.6 to put into No.1 for food. Plenty of beetle still about. Lots of wax moth lava and dirt in tray under No.1., probably too cold to hatch.

All hives were very calm working them today.

BILL'S REPORT: Returned 3 native bee boxes. Native hive for open day is going strong. Peter Velinski doesn't think he will have a hive ready for Open Day.
